# Pica Master Belt

## 20-Years-Edition with exclusive quiver prints

For our limited anniversary edition, we drew inspiration from the old masters. Here, the **Pica Dry, Ink** and **Visor Permanent** come dressed in the unique special quivers 'Da Vinci', 'Gutenberg' and 'Michelangelo'. **For 20 years, we have been setting standards in marking** for professional craftsmen. This edition is therefore not only a look back at our milestones, but also a homage to the **precision, innovation and creative power** of great pioneers. Our markers are continuing this tradition – with craftsmen as **true masters of marking**.
